SHIPPERS AND NOTES.

Yesterday was one of the times that comes in the history of all live stock markets when it is hard to give a reason the conditions. One reason given for decline yesterday was that the marwhine house, before the law rains, is se the alfalfa for that fine team which

per to this market from Kingman, brought in a car load of hogs yearer-cay which sold for the even five dollars. (2. C. Carson of Mount Hops got in with a car load of hogs Wednesday or this market from Kingman, it in a car load of hogs years—
then said for the even five dollars.

Carson of Mount Hene got in a car load of hogs Wednesday bearing of the Cherokee Strip.

Since the first of the mount the average temperature has been 80, which is a carson to come lower than they are the first of the mount. 14. F. Williamson of Pratt was on the the it in time to strike a good, sub-ntiel decline in the price of porkers. E. Choley and Captain Dennett erly winds. maintained the reputation of Rose Hill pesterder with a cur lead of good hors such. They struck the best time, and Charley Smith and Frank Robins have Emporia, Kan., Sept. 30 to 31 1800.

than Wednesday and Il pounds more

Belle Plain, came in late last evering with a car load of hogs that went over

th a car load of loos that went over a scales at \$0.00.

Quinty brought in a car load of hogs at evening from Ething.
The Scort of Peck, a regular shipper this market, had two car loads lof the market last evening. One is very fine. The rwo loads \$1.00. Mr. Scott says be has been shipping for years and never falled to hit oil the big breaks in the market 21s Vs one of the most popular shippers who comes to this market. Jeff Houston sent in a car load of hogo from Ponca City, O. T., yesterday that was the last to arrive. of the farmers who come to the are interested in the movement

to get another packing house. They

Commodore Peoples of Kechi was a visitor at the yards yesterday. He said some of the farmers helped him out of the hard market by refusing to sell him

the hard market by returning to sent him hogs at his bid.

The Drovers Telegram has this to say about Wednesday's Kansas City stocker and feeder market: "Shipments to the country yesterday were 128 cars, against 168 cars the same day last week. This was a small share of the offerings and the supply today, fresh and stale, was 25,000 or more. The bulk of these lacked both quality and weight. Good, heavy feeders sold well, like a train of M. Panky's Kansas wintered Wyomings at 16,5004.60. High style stockers sold well. The general market was divised and the The general market was giutted and 192 Mc lower, and the lowest of the year. The supply would fit out 1,000 buyers at a car load each, or 100 buyers at ten cars each."

LIGHT ON GOLD SITUATION

Which in Turn Partially Explains the Apathy.

New York, Sept. 13 .- So far as the stock market can be relied on as a mirror of the general condition, the country remains plunged in profound doubt and uncertainty. The few movements of prices are little more than ripples on the surface of a stanant pool Members of the stock exchange are quite nonplussed. Both that class who oper ate on their own account, known as turned from the east, where they have room traders, and the commission house on a pleasure trip for several brokers, are equally puzzled over the immobility of the market. The few Miss Sofa Kent has returned from the stocks in which any appreciable moveeast, having visited Chicago, St. Louis ment occurred today were dealt in to so and Kansas City purchasing fall millinger goods.

Make Runs

It is as much the business of a railroad to make runs as it is that of a

baseball player. The Frisco Line

is continually making runs to the famous health resort,

Eureka Springs Arkansas Trains leave Wichita at 1:20 and 10

p. m. daily. Su for the Round Trip
